

Time to Shine Tuesday, 11/12/24

This week's #timetoshinetuesday shines a light on Ms. Valencia and comes from Ms. Eaton who writes, "Ms. Valencia deserves a special shoutout for keeping MBN News up and running last week while I was away at the DoDEA Americas Ed Tech Summit! She went above & beyond for our school community. She is a great teammate!"

MBN News features a Marvelous Mustang each week for Time To Shine Tuesday based on the submissions you provide! This feature is contributed by adults and is to shout out any Mustang - student or staff. Share your good news by visiting:
